

## **Creative Community Partnership**

ArtsConnection is made possible by a collaborative effort with the Theater Foundation, Temecula Valley Unified School District, and the City of Temecula. The three cooperative partners are committed to preserving arts education and expand learning and enrichment opportunities to the youth throughout the community.

The Theater Foundation secures funding for the programs, acquires sponsorships to support ArtsConnection, finances artist performances, and coordinates the programming scheduling with the TVUSD.

The Temecula Valley Unified School District establishes the curriculum to enhance the educational benefits for the programs, coordinates the scheduling of schools and grade-levels, and provides transportation to the Old Town Temecula Community Theater.

The City of Temecula provides the use of the Old Town Temecula Community Theater and its staff, assists in booking special performances, and provides the technical support for all performances at the Theater.

## **Free Performance Experiences**

**ArtsConnection provides free performance experiences in dance, music, and theater to Temecula Valley Unified School District (TVUSD) students.**

The programs give students in grades K-12 the opportunity to learn from and experience the work of the many exceptional local and professional artists performing at the Old Town Temecula Community Theater and other performance venues in the City of Temecula. These artists represent a wide range of artistic disciplines and genres.

Our programs are designed to connect to a variety of curricular, thematic, or cultural areas and can be targeted to reach specific grades or populations. Professional development for teachers and artists is also integral to all of our programs. Eventually, ArtsConnection will incorporate visual, literary, and media arts for partner schools in the TVUSD.

*"ArtsConnection – where learning takes center stage"*
